BUILD A BETTER WORLD™

Kids Summer Reading Program

In-library registration begins June 1st. Anyone birth to 18 years old may register. Participants log minutes read to receive prizes. Attend one of our great programs and enter to win additional prizes. Learn about recycling, dinosaurs, and ham radio; sing along with Silly Joe and Mark DeRose; and meet K-9 officer Capt Dargo. For teens, there are book roundtables and a board game night. No child is too young to participate—family reading time counts toward goals! So this summer, join us in building a better world, one book at a time.

Meanwhile, our regular monthly programs, like LEGO® Club, Block Party, and Sit, Stay, Read continue at their usual times.

Happy Anniversary!

June 20th is the one year anniversary of the opening at our Mumper Lane location. Another big thank you goes out to all of the donors, staff, volunteers, and Board Members who made the move possible, along with area businesses and community members who lent their support. Since opening at the new location, we've added hundreds of new patrons and seen our circulation increase drastically. Stop by to wish us well or share your memories of seeing the finished space for the first time!

Adult Summer Reading Program

The program will begin June 1st and run through August 10th. Only books finished during this time period will count for our drawings. Sign up at the front desk or online at yorklibraries.beanstack.org. Read as much or as little as you want. For every book and audiobook (including e-books and e-audio) finished, fill out a slip and drop it in the jug. Once a week, we'll pull the names of our lucky winners to come in and pick up a prize. For the eager reader, we are offering up Book Bingo with a Grand Prize drawing in August. For more information, stop by the front desk to register and pick up a Bingo card.

Artist Gallery

The featured artist for June and July is Deb Hershey. Deb works in numerous mediums, including collage, stained glass, and pastels. Stop by and view some of her pieces in the back of our main room.
